Fall Sale Schedule

As the fall marketing season approaches, we at Delta Sales Yard, In. wanted to keep our customers updated on our schedule. Beginning September 14, we will be back to our weekly sale schedule, every week until Thanksgiving on November 23. We will also be adding **2 Saturday Special Feeder Sales on October 28, & November 18.** We have completed 2 new alleys of steel pens, have an abundance of quality hay, and we are ready to market your livestock. At this time consider a fall vaccination program, as some of our buyers will not pay full price for unvaccinated calves. Pasteurella and Respiratory vaccines are valuable marketing tools, and can help you give your buyer a great experience with your calves.
